Tesaurus Bahasa Indonesia– *a must-have for every library!*

Sinopsis Def: *the sau·rus* /THə'sôrəs/Noun

A book that lists words in groups of synonyms and related concepts.

Thesaurus Indonesia presents words and groups of words as well as synonyms or equivalents in the language of Indonesia. In any language, there is no absolute meaning of equality. Therefore, a synonym in the Thesaurus Indonesia presented taking into account the differences that are based on regional dialects, social (for example: psychotherapy, mysticism, and Sufism), temporal (for example: the man and the maid), shades of meaning (examples: cranky, furious, and angry), as well as a variation of language (example: die and died). The meaning of the Word is always determined or bound by context in the sentence. Thesaurus Indonesia helps the user to get the right expression for any concept and the meaning that is most suitable for the particular context. It uses a rich vocabulary that will allow users to avoid the sentence boyak-or cliché-through the creation of variations of the sentence.
